

## 'Chinese cost push to boost Indian fan industry'

**KOLKATA:** The Indian fan industry has started tasting the benefits of cost push of Chinese fans which squeezed the competitiveness gap to 15-20% against 35% in the past. "The Chinese are facing rise in costs due to their currency hardening. Earlier, cost difference of Indian fans with the Chinese was 35 per cent, but now it had reduced to 15-20%," Indian Fan Manufacturers Association chairman Shekhar Bajaj said at the AGM here on Monday. **PTI**
